ICAN HONORS HENRY SALINAS SOCIETY HEROES

ICAN: Positive Programs for Youth in Chandler recently honored their Henry Salinas Society Heroes for 2017. The Henry Salinas Society Heroes award is named for ICAN's founder, Henry Salinas. Henry founded ICAN in 1991—he was a concerned citizen who wanted a safe place for kids to go after school to prevent the gang violence that was becoming rampant in the downtown area. This award recognizes outstanding members of HSS who have passionately devoted their time, talent and/or treasure to improve the lives of children and their families over the past year. Nominations for the award are accepted from the membership and are reviewed by a blind panel to determine the winners each year. This year's honorees include: Individual Honoree: Brandon Bagley, Owner of AlphaGraphics Chandler/Gilbert/Scottsdale; Business Co-Honoree: Chandler Police Department; and Business Co-Honoree: Intel.

A SUMMER LOVE STORY

Young love was in the air when Karen Wamback Trezza posted on Facebook with a rather odd request. Her son, Gabe, was head-over-heels for his classmate named Reagan and wanted to invite her to his birthday party, but Wamback didn't know how to find the girl. Facebook came to the rescue when she posted a request looking for the girl with a "cute smile and crooked tooth." It only took minutes before Courtney Erickson saw the post and replied, "REAGAN IS MY DAUGHTER!!!!!!!" With the help of their moms, the two young lovebirds were reunited soon after and, yes, Reagan attended Gabe's birthday party in July!
