

Free SAT, ACT practice test at Tutor House for Juniors, Seniors

High school juniors and seniors are invited to take a free SAT or ACT practice test on Saturday, March 4, at Tutor House Tutoring Services.

Testing is from 9:15 a.m. to 1 p.m., with a welcome and registration from 9 a.m. to 9:15 a.m. Students should bring a calculator to the session.

Taking the practice test is a way for students to find strengths and weaknesses in a low-pressure environment. Participants will become familiar with the test format, question types, timing, and content tested on these college entrance exams. Test results and analysis are given by email. Separately scheduled conferences are available.

This free practice test is offered in addition to Tutor House's regular SAT and ACT prep programs. Tutor House is

a family-owned and -operated learning center helping students reach their full potential by providing an individualized approach to education. The tutoring process begins with a skills assessment that will identify students' academic strengths and weaknesses; test results are then reviewed with parents, and a program is designed to address the student's individual needs.

A wide range of one-on-one and small group tutoring for students in grades K-12 is available, in the subjects of reading, math, writing, study skills, algebra, geometry, calculus, chemistry, physics, biology, SAT/ACT prep and more.

Host families sought for high school exchange students

ASSE International Student Exchange Programs (ASSE) is looking for local families to host boys and girls between the ages of 15 to 18 from a variety of countries.

ASSE students are enthusiastic and excited to experience American culture while they practice their English. They also love to share their own culture and language with their host families. Host families welcome these students into their family, not as a guest, but as a family member, giving everyone involved a rich cultural experience.

The exchange students have pocket money for personal expenses and full health, accident and liability insurance. ASSE students are selected based on academics and personality, and host families can choose their student from a wide variety of backgrounds, countries and personal interests.

To become an ASSE host family or to find out how to become involved with ASSE, call the ASSE Western Regional Office at 1-800-733-2773 or go to host.asse.com for an application.
