The Chandler Compadres reached the million-dollar milestone this year with \$1,016,000 in donations. Ryan Foster, President for the 2017-2018 fiscal year, credits the growth of the organization to the people, businesses, and non-profits in Chandler and their passion for kids programs. Matt Marshall, incoming President, looks forward to the future and building on the momentum of this 30-year-old non-profit.

Leaders in Chandler philanthropy gathered in the private meeting space of Meridien Kitchen & Lounge to celebrate the success of this year's efforts. Bringing the various organizations together provides opportunities to combine efforts to multiply the positive impact of resources contributed.

For every \$100 raised by this charitable organization, \$98.50 goes to beneficiaries. Checks distributed by the Chandler Compadres at the 2nd Annual Give Day:

- FANS Across America - \$20,000
- Chandler Service Club/AZ Brainfoods - \$30,000
- Chandler Education Foundation - \$38,000
- Chandler Care Center - \$60,000
- AZCEND - \$120,000
- ICAN - \$200,000
- Boys & Girls Clubs of the East Valley - \$350,000
