ICAN Mission Moment

ICAN hosted Me & My Family Night last week where youth worked with their parents to create a vision board for 2020 - to visualize all of the things they would like to accomplish. One young girl (who has been attending ICAN for a few years) included the phrase "control feelings". When asked about that, she shared that she is learning to control her feelings and wants to get along better with her family. These are skills emphasized at ICAN every day, so it was exciting to see those skills impacting this youth!
