

New Debit Card Gives Back To Community

What if you could help your community and support local nonprofits just by making everyday purchases?

With our newest debit card giveback program, now every time you use our new *Local Artist, Local Causes* debit card, we'll make a contribution to the Arizona Federal Community Fund. Then twice a year, those funds will be granted to smaller nonprofit organizations throughout Arizona to support their programs.

Local Nonprofits Awarded Funds

Recently we announced the first 14 recipients of funds from the *Local Artist, Local Causes* debit card program (see list at right).

Congratulations to all the recipients, and a special shout out to local artist Jon Arvizu, who designed the card. Arvizu is the artist behind Hijinks Apparel, a popular local brand of clothing, stickers and more.
